#### Color

Atractive deep, bright red cherry colour with a violet rim.

#### Nariz

Very fresh aroma with hints of fruit such as strawberries, plums and blackberries giving way to balsamic sensations and aromatic herbs that add complexity, together with a subtle touch of spices, such as white pepper and nutmeg.

#### Boca

Silky and elegant initial mouth feel that is persistent. The tannin is balanced, integrated and well rounded, giving it length, with the reappearance of fruit and a mineral touch true to its origin. Long attractive after taste.
