#### Colour

Luminous red cherry with good depth.

#### Nose

Complex aroma of good intensity, where fruit and ageing aromas intermingle in perfect balance. Red fruit, pepper, dried thyme, incense.

#### Palate

Here comes its great moment, the fruit gives sweetness and volume, and the wood complexity. It moves slowly, with weight, leaving an elegant after taste of a polished wine.

ARX 2018 comes from plot No. 1 of Syrah, plot No. 2 of Tintilla de Rota, plot No. 10 of Petit Verdot and plot No. 3 of Cabernet Sauvignon. All of them with a North East orientation, Levante winds and steep slopes in which the bunches are perfectly shaded and aerated for a perfect maturation.

The harvest is collected manually and at night, to take advantage of low temperatures. Pre fermentation cold maceration is done for four days to preserve the colour, aroma and taste of the grapes then the varieties are fermented separately for approximately 20 to 25 days. The total production is 9.100 cases of 6 bottles each.

#### The jewel of the south
